

Welcome To KINDERGARTEN

Precious Parents,

Welcome to Kindergarten! We are so excited to meet all our students + looking forward to building a long-lasting relationship with our families.

Please understand we are requesting selective school supplies for several reasons. These are supplies we have used throughout our teaching career; they are products that will last the entire school year + into the following school year and are true to color (in regards to color writing/coloring tools).

DO NOT LABEL YOUR CHILD'S NAME ON EVERYTHING! The only item you need to write your child's name on is their change of clothes. Your child's change of clothing must be a school uniform + everything must be labeled with their name. Please, place their clothing in a gallon-sized Zip-loc bag + write your child's name on the bag with a permanent marker. Please know that we check-in each student's supplies one at a time. We will label your child's items with printed name labels once we check them in.

How to Bring in Your School Supplies

When bringing in your child's school supplies please use a box or container to bring them in. Make sure your child's name is on the box or container. **Please, do not bring supplies into the class in shopping bags unless they are reusable shopping bags and tagged with your child's name.** Once your child's supplies have been checked in your bags and/or container will be returned to you.

If you have any questions or concerns about the items on the supply list, please feel free to reach out to us at info@ntaeagles.org.

In His name,

The Kinder Squad
